11h00- 12h10pm	Session 2:

Precise speaking times will not be assigned for each student, ONLY session 1 or 2.

We need a ratio of 1 teacher per 7/8 students for both sessions

Teachers of attending students must be NAFT members for Duty of care requirements

If you have more students than teachers (in the above ratio) and there are other teachers of French at your school, please ask your colleagues to assist as examiners. Otherwise, accommodating large numbers is very difficult.

If you have no other colleagues who can help or if you are coming from the country, please let us know your numbers and we will try to garner the help of other members.

NAFT will provide refreshments at morning tea for teachers only. PLEASE BRING A CUP

Reminders:

- **Teachers of attending students must be NAFT members for Duty of care requirements**
- **Non-NAFT members are more than welcome to assist as examiners on the day**
- **All Students are advised to bring a recording device. eg smartphone. They need to be told that they will not be marked on the day but can submit their interviews to their classroom teacher**

- **Closing date to enrol. 7th JUNE
